## Healthy Eating

Nationally accredited courses delivered by distance learning

Learning Curve are pleased to offer staff, working in your area a range of high quality fully funded distance learning courses.

### **Places are limited!**

**To guarantee your places, please return the booking form as soon as possible.**

The **Healthy Eating** (NCFE Nutrition & Health) course has been designed for those who wish to develop their knowledge and understanding of the principles of healthy eating and the role of food in maintaining good health.

This **Level 2** course consists of the following units:

- **Unit 1** An introduction to medicines and prescriptions
- **Unit 2** Medicine supply, storage and disposal
- **Unit 3** Safe administration of medication
- **Unit 4** Quality control and record keeping
- **Unit 5** Accountability, responsibility and confidentiality

Each programme is designed to:

- Meet CSCI training requirements
- Provide continuous Professional Development for qualified personnel

### **Benefits for the employer and the employee . . . .**

- Learners study at a time and pace to suit their work/home life commitments
- Reduces workplace disruption and the need for expensive backfill
- Tailored training to fit with both workplace and learner career development plans
- Full tutor support provided by both phone and email
- No tests – the qualification is assessment based only
- All courses are nationally recognised qualifications accredited by NCFE
- Provide underpinning knowledge for progression on to full NVQ qualifications

### **How to book your free places:**

Places are limited and will be allocated on a first come, first served basis. In order to be eligible staff must be over 19, and have lived in the EU for the last three years. To secure a place on any of these courses please complete the booking form overleaf and return it to:

**nicole.bewley@learning-curve.co.uk or fax it to 01388 773661**

For further information please call **01388 777129** or visit **www.learning-curve.co.uk**

Please note that a minimum of 6 learners are required per induction session. Inductions will take place at the candidate's place of work.
