Palliative Care

Nationally accredited courses delivered by distance learning

Learning Curve are pleased to offer staff, working in your area a range of high quality fully funded distance learning courses.

Places are limited!

To guarantee your places, please return the booking form as soon as possible.

The **Palliative Care** course is designed for anyone wishing to improve their knowledge and understanding of the 'whole person' approach to palliative care.

This **Level 3** course consists of the following units:

- **Unit 1** Understanding palliative care
- **Unit 2** Applying a 'whole person' approach to palliative care
- **Unit 3** supporting a person with their physical care needs
- **Unit 4** Care during the final hours of life and bereavement care

Each programme is designed to:

- Meet CSCI training requirements
- Provide continuous Professional Development for qualified personnel

Benefits for the employer and the employee

- Learners study at a time and pace to suit their work/home life commitments
- Reduces workplace disruption and the need for expensive backfill
- Tailored training to fit with both workplace and learner career development plans
- Full tutor support provided by both phone and email
- No tests – the qualification is assessment based only
- All courses are nationally recognised qualifications accredited by NCFE
- Provide underpinning knowledge for progression on to full NVQ qualifications

How to book your free places:

Places are limited and will be allocated on a first come, first served basis. In order to be eligible staff must be over 19, and have lived in the EU for the last three years. To secure a place on any of these courses please complete the booking form overleaf and return it to:

nicole.bewley@learning-curve.co.uk or fax it to 01388 773661

For further information please call **01388 777129** or visit **www.learning-curve.co.uk**

Please note that a minimum of 6 learners are required per induction session. Inductions will take place at the candidate's place of work.
