Sustainable Development

Nationally accredited courses delivered by distance learning

Learning Curve are pleased to offer staff, working in your area a range of high quality fully funded distance learning courses.

Places are limited!

To guarantee your places, please return the booking form as soon as possible.

The **Sustainable Development** course is designed for those wishing to improve their knowledge and understanding of the core principles of sustainable development and how best to implement them within their home, workplace or community.

This **Level 2** Course consists of the following units:

- **Unit 1** Explore and understand the principles and benefits of sustainable development
- **Unit 2** Plan, apply and evaluate sustainable development principles

Benefits for the employer and the employee

- Learners study at a time and pace to suit their work/home life commitments
- Reduces workplace disruption and the need for expensive backfill
- Tailored training to fit with both workplace and learner career development plans
- Full tutor support provided by both phone and email
- No tests – the qualification is assessment based only
- All courses are nationally recognised qualifications accredited by NCFE
- Provide underpinning knowledge for progression on to full NVQ qualifications

How to book your free places:

Places are limited and will be allocated on a first come, first served basis. In order to be eligible staff must be over 19, and have lived in the EU for the last three years. To secure a place on any of these courses please complete the booking form overleaf and return it to:

nicole.bewley@learning-curve.co.uk or fax it to 01388 773661

For further information please call **01388 777129** or visit **www.learning-curve.co.uk**

Please note that a minimum of 6 learners are required per induction session. Inductions will take place at the candidate's place of work.
